

JOSEPH MWALWAMA

PERSONAL DETAILS

mwalwamaj@gmail.com, 0769465102

PROFILE

I'm highly skilled, Full-stack Developer with expertise in front-end and back-end development, system administration, and database management. Proficient in a wide range of programming languages, including Java, Python, and PHP, with a strong focus on specific frameworks including Django REST framework, Spring Boot, and Laravel. Additionally, a seasoned Android developer with extensive experience in React and React Native for mobile application development.

EDUCATION

UNIVERSITY

2020 – 2023

THE UNIVERSITY OF DODOMA, Dodoma

I have successfully completed the core requirements of my Bachelor of science in Business Information Systems program at University of Dodoma, demonstrating a strong academic record and dedication to my field of study. While I have fulfilled all degree requirements for graduation, I have one outstanding course that I plan to complete next year for three month. This remaining course, which I am committed to finishing, represents the final step in my academic journey. I look forward to obtaining my degree and leveraging my comprehensive education to contribute effectively in my chosen career path.

Advanced Certificate of secondary education

2018 – 2020

NJOMBE SECONDARY SCHOOL, Njombe

I've fulfilled all the requirements for my Advanced Certificate of secondary education with combination HGE

Certificate of secondary education (CSE)

2014 – 2017

BULYAGA SECONDARY SCHOOL, Mbeya

I've completed my secondary education taking major science subjects.

Certificate of Primary education (CPE)

2007 – 2013

BULYAGA PRIMARY SCHOOL

I've fulfilled all the requirements for Primary education
